Sunscreen Authorization Form

The Maryland Dept. of Health and Mental Hygiene has set for these sunscreen procedures per COMAR 10.16.06.33

TO THE PARENTS: This authorization form must be completed and on file with Beachmont before applying sunscreen at camp, even if the child will apply his/her own sunscreen. Sunscreen must be provided by the parent and logged in by our camp nurse every time it is applied during camp hours. Application of sunscreen should be according to the directions on the container. CAMPERS MAY NOT APPLY SUNSCREEN TO OTHER CAMPERS. Campers should, in most instances, apply the sunscreen on their own. Our camp nurse is available if assistance is needed.
